**MISSION:**

To help individuals of all ages achieve the skills necessary to draw realistically, and to teach the techniques necessary to gain confidence as an artist in other media, while encouraging creativity and independence.

**CURRICULUM NOTES:**

- Minimum recommended age for *Pre-Kindergarten Drawing* classes is 4½ years old, but we will accept mature 4-year-olds.
- All *kindergarten* and *elementary-aged* students are required to take beginner and intermediate drawing classes as a prerequisite to all other classes. Skills learned in these foundation classes are essential to the ARTSPLACE program:
  - **Beginner:** Curriculum includes contour line, flat color, texture, mirror image, negative space and volume drawing. Materials are Flair pens and markers.
  - **Intermediate I:** Reinforces beginner concepts with more detailed projects. (*Prerequisite: Beginner*)
  - **Intermediate II:** Introduces shading & volume drawing. (*Prerequisite: Intermediate I*)
  - **Advanced:** Includes perspective & introduces different media. (*Prerequisite: Intermediate II*)
 Note: Sometimes classes are combined to facilitate scheduling; please contact us if you are unsure which class your child should take.
- *Teens and adults* are encouraged to take drawing classes as needed to ensure success in other media.
- It is important that **ALL STUDENTS**, children and adults, attend the first session of a class to avoid missing critical information. If you will be late for or absent from a class, please call Artsplace so that your instructor is not waiting on you to begin instruction.

**REGISTRATION & REFUND POLICIES**

- Full payment **must** accompany registration forms. We can provide class information by telephone, but you are not enrolled in a class until payment is received. Please make sure that all appropriate registration and/or non-resident fees are included in your payment.
- All classes/workshops have a minimum number of enrollees needed for the course to run. If this minimum is not met, then the class will be cancelled. For this reason, it is very important that you register for a program at least 2 weeks prior to the start date. If a class/workshop is cancelled, all registrants will be notified by telephone at least 3 days prior to the program start date.
- If in doubt about the status of a class, please phone us. Please register early and list second and third choices for classes.
- No news is good news! If you have not heard from us, you will be expected at class at the prescribed day and time. Please record this information on your calendar. If you will be late or absent for a class, please call Artsplace so that your instructor is not waiting on you to begin instruction.
- Unless otherwise noted, all **standard** supplies are included; students must provide any “**premium**” supplies desired (e.g., oversized canvases), “**personal choice**” items (e.g., fabric/materials for quilting class), or materials for more than 1-2 projects (e.g., wool for felting).
- Full refunds will be given **only** if an art class or workshop is cancelled due to insufficient enrollment. Credit for art class, less a \$15 administration fee, will be given if notification is received 1 week prior to the start of the program and your vacancy is filled.
- Once a class has begun, credit/refunds will not be given. **Careful consideration should be given prior to registration for any class or workshop.** Any exceptions from this policy will only be considered after the director reviews your written request.
- When bad weather cancels a class, or a teacher is ill, another class will be added to the end of the schedule. We regret that we are unable to offer make-up classes for student absences.

No classes: April 17–23 (Spring Break) and May 29–31 (Memorial Day Weekend)

**PAYMENT MUST ACCOMPANY REGISTRATION FORM.** Artsplace regrets that we cannot accept credit cards.  
Non-refundable checks payable to “CPFA” (Cheshire Performing & Fine Arts Committee)
