REGISTRATION & REFUND POLICIES

- **Full payment must accompany registration forms.** We can provide class information by telephone, but you are not enrolled in a class until payment is received. Please make sure that all appropriate registration and/or non-resident fees are included in your payment.
- All classes/workshops have a minimum number of enrollees needed for the course to run. If this minimum is not met, then the class will be cancelled. For this reason, it is important that you register for a class/workshop at least 2 weeks prior to the start date. Please list second and third choices for classes. If a class/workshop is cancelled, all registrants will be notified by telephone at least 3 days prior to the program start date.
- No news is good news! If you have not heard from us, you will be expected at class at the prescribed day and time. Please record this information on your calendar. If in doubt about the status of a class, please phone us.
- Unless otherwise noted, all **standard** supplies are included; students must provide any **“premium”** supplies desired (e.g., oversized canvases), **“personal choice”** items, or materials for more than a stated number of projects (e.g., wool for felting).
- Full refunds will be given **only** if an art class or workshop is cancelled due to insufficient enrollment. Credit for art class, less a \$15 administration fee, will be given if notification is received 1 week prior to the start of the program and your vacancy is filled.
- Once a class has begun, credit/refunds will not be given. **Careful consideration should be given prior to registration for any class or workshop.** Any exceptions from this policy will only be considered after the director reviews your written request.
- When bad weather cancels a class, or a teacher is ill, another class will be added to the end of the schedule. **We regret that we are unable to offer make-up classes for student absences.**
